

Battle of the Books 2018-2019

Battle of the Books is a competition based on the books on the Florida Teens Read list chosen by the Florida Association for Media in Education. Individuals **DO NOT** have to read **ALL** of the books on the list as long as someone on your team has read each book. Full descriptions of each book can be found at <https://www.floridamediaed.org/florida-teens-read.html>. Students who choose to participate agree to attend practice sessions during lunch on Tuesdays and Thursdays to prepare to answer text-based questions and provide evidence for those answers. All students are welcome to participate. Each team member must be willing to learn the importance of team collaboration and healthy competition with mutual respect for teammates and other teams. Students who sign up agree to attend all competitions, including the district competition if their team places first in the school.
